Product Overview

The RISO M634 is a full-featured MFP that can help you effectively tackle all of your document-based business needs. With its fast, 45 page-per-minute engine, even the most graphic-intense documents are delivered on time. Fax and color scanning are standard features, not expensive add-ons that you find with many copier-based MFPs. Add optional duplex and finishing and see how productive the RISO M634 MFP can make your organization.

- Up to 45 ppm letter, 43 ppm A4
- Time to first page: <8.5 seconds
- 500 MHZ processor
- 144 MB RAM standard
- Network standard
- Single pass duplex scanner

Large-Format Touch Screen

The RISO M634 MFP utilizes an intuitive touch-screen interface for easy navigation of printing, copying, faxing and scanning features. The large-format color touch-screen has a built-in user manual to provide on-the-spot reference for advanced functions.

Security Built In

The RISO M634 MFP features a built-in corporate security option to prevent unsolicited scanned emails to anyone in your organization. With this feature enabled, users must log into the network through the color touch-screen to utilize the scanning features, which will automatically add the user's email address.

Save Money with Scanning

Scan directly to email and all but eliminate long distance fax charges! The RISO M634 adds easy-to-use color scanning features to your workplace. Its intuitive touch-screen lets you search for email addresses in an on-line corporate directory or manually enter an address, subject and message.
