# GR1750

## the *efficient* printing solution

>The GR1750 is a fully featured Risograph designed with efficiency in mind. Engineered by RISO, the world leader in the development of digital duplicating technology, the GR1750 provides a quick and easy way to produce a variety of printed materials.

>Each GR1750 comes standard with a fifty-sheet, fully-programmable Automatic Document Feeder (ADF) for efficient production. Add one or more of RISO's productivity-enhancing accessories, and you'll see why the GR1750 is the efficient printing solution.

<b>process</b>	Risography (Digital Printing)
<b>first copy time</b>	17 seconds (letter)
