# GR2710 =

## the *cost-effective* printing solution
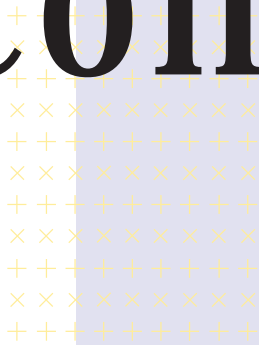

>The GR2710 is a cost-effective printing solution designed to specifically meet the needs of economy-minded users. It comes standard with a glass platen top for easy duplication of a wide range of originals. It's also connectable to a PC or Macintosh for crisp printing directly from your computer.

>The GR2710 combines the low cost of digital duplicating with the technological breakthroughs of RISO's GR Series of Risographs—just what you'd expect from the world leader in the development of digital duplicating technology.

| | |
|---|---|
| **process** | Risography (Digital Printing) |
| **first copy time** | 17 seconds |
| **printing speed** | 5 steps (60, 80, 100, 120, 130) |
